# KANSAS CITY *Dance Classic*

Dear Competitors and Spectators:

We welcome the ballroom dancers of the Midwest and around the Country to the thirteenth annual Kansas City Dance Classic (KCDC) amateur ballroom dance competition. We hope that your experience here will motivate you to enter other USA Dance competitions. Please provide us with your thoughts and recommendations for any improvements that can be made in our procedures and program of events. Thank you so much for dancing and competing at KCDC.

The idea for Kansas City Dance Classic came to us after many years of social ballroom dancing in the KC area and then discovering the world of amateur ballroom competitions sponsored by USA Dance. We really enjoy these USA Dance amateur competitions and believe in the format and idea of them. A year before we started KCDC we realized none of them are held within 500 miles of Kansas City. We decided that should change. With the help of many mentors in the competition world including several other USA Dance competition organizers and several local Pros/Instructors we were able to organize Kansas City Dance Classic.

KCDC began as a USA Dance "Registered" event and in 2021 we met our goal of becoming a USA Dance "National Qualifying Event" and "Regional". USA Dance sponsors a number of competitions around the country that you should consider dancing in as well. Ads for many of these competitions are in the back of this program.

We want to thank the many KCDC volunteers for their valuable help ensuring the success of the event. We also wish to thank the area dance studios and their teachers who have supported and promoted KCDC.

To our spectators, please be sure to cheer on the dancers who are competing during the day. They've worked hard preparing for this event and deserve your support.

Best Wishes and Keep Dancing,

Matt and Ellen Pansing  
Competition Organizers
